

Situational Judgement Test (Manager)

What is it?

The SJT-Manager consists of attitudinal, behavioural and situational questions aimed at assessing the candidate's ability to problem solve and use appropriate judgment while performing the manager function. The test provides an opportunity to objectively assess the management skills of job candidates. It was developed to identify those applicants best able to handle the daily challenges encountered by most managers and supervisors.

What competencies does it assess?

- Communication
- Decision Making
- Delegation
